CLAIMS OF EXECUTORY CONTRACTS & UNEXPIRED LEASES

Class 5	SBA Properties Inc.	\$ 15,155.83	Y	To be paid pursuant to Art. VI below.
---------	---------------------	--------------	---	---------------------------------------

It shall be an event of default under the Plan if the following should occur:

If the Debtor fails to make any payment to the Internal Revenue Service required by the confirmed plan of reorganization, or any payment of any tax to the Internal Revenue Service within 20 days of the due date of such deposit or payment, or if he fails to file any required federal tax return by the due date of such return any pay any outstanding tax liability shown on the return at the time the return is filed, then the United States may declare that the he is in default of the Plan. Failure to declare the default does not constitute a waiver by the United States of the right to declare that he is in default.

ARTICLE V APPROVAL OF ASSIGNMENT OF PINNACLE'S SECURED DEBT TO CHARTER FOODS, LLC

5.01 Assignment. Following the confirmation of the Second Amended Plan, the Debtor, Pinnacle, and Charter Foods, Inc. have entered into an agreement whereby Charter Foods, Inc. would purchase all of Pinnacle's secured debt pursuant to a Note Purchase and Assignment Agreement, Consolidated Promissory Note, and Loan Modification Agreement (hereinafter the "Assignment Documents").

5.02 Essential Terms. The parties to this transaction explicitly agree that Pinnacle has (and will assign to Charter Foods, Inc. ("Charter"), pursuant to the Assignment Documents and via a formal assignment document filed with this court) a fully-secured claim of not less than \$6,400,000.00⁵ that will be paid in full; that Pinnacle's lien in the Debtor's assets is a first-priority lien and survives confirmation and closing on the Assignment Documents such that Charter (or any subsequent holder of such lien) will have the same rights as Pinnacle; and that there has been no, and upon confirmation of this Plan there will not be any, discharge of Pinnacle's debt until the debt is paid in full as provided herein. If the loan fee or agreement discussed is not approved, Pinnacle may proceed with its foreclosure rights that were given in the last confirmed plan. This is consistent with prior rulings of this court, that the prior confirmed plans had not been consummated.

5.03 Foreclosure of Pinnacle Liens. In the event the Debtor does not perform its obligations hereunder, under the documents evidencing Pinnacle's secured debt, and under the Assignment Documents with respect to the payment of Pinnacle's secured claim hereunder, the holder of such documents (whether Pinnacle, Charter, or any third party to which such documents are properly transferred) shall be entitled to foreclose any and all liens securing the debt underlying Pinnacle's claim. Foreclosure shall not be treated as a sale of a property by the Debtor for any purpose hereunder.

5.04 Release of Pinnacle Liens. The holder of any and all liens securing the debt underlying Pinnacle's claim (whether Pinnacle, Charter, or any third party to which such documents are properly transferred) shall be entitled, from time to time, to release all or any portion of such liens as such holder may determine in its sole discretion in order to allow the sale of some or all of the property subject to such lien(s). In such an event, notwithstanding any provision herein to the contrary, all of the net proceeds of the sale of any such property shall be paid to the holder of Pinnacle's claim until such time as Pinnacle's claim is paid in full.

ARTICLE VI PROPOSED SALE OF LAKEWAY PUBLISHERS OF MISSOURI, LLC

6.01 Sale. Despite the proposed assignment to Charter Food, Inc. the Debtor still intends to sell Lakeway of Missouri, Inc. and all of its operations and assets in order to fund this plan. Due to current economic factors, the debtor believes that a Chapter 7 style liquidation would not bring as much money to creditors as a sale of the entire business unit using a licensed broker. Based upon prior experience, this process would take eighteen – months (possibly longer due to the current pandemic), but would result in a sales price of 7.65 million dollars.

⁵ This is an approximate amount including the loan fee ,expenses and taxes associated with Charter's purchase of the Pinnacle notes. The breakdown of the loan is as follows: \$4,615,154.33consisting of the assigned Pinnacle debt, plus an additional \$1,500,000.00 loan fee to Charter Foods for agreeing to purchase the Pinnacle Debt which will be added to the balance, if approved.

While the sale is pending, the Debtor shall continue to rely upon newspaper subscriptions and advertising revenue to continue operations. The Debtor estimates that it will be able to complete the sale(s) by the end of 2022.

The Debtor estimates the sale breakdown as follows:

Sale Price: \$7,650,000.00

Costs to Sell:⁶ \$505,000.00

Net Proceeds: \$7,145,000.00

Priority Claims: \$194,000.00

Admin & Post Petition

Claims: \$162,000.00

Alliant Bank Pay Off: \$54,700.00

Charter Foods, Inc. Bank Pay Off: \$4,615,154⁷

Amount available for

Unsecured Creditors: \$1,896,829.00

Total Profit: \$544,316.67

6.02 Adequate Protection Payments. Due to the proposed assignment of Pinnacle's debt to Charter Foods, Inc., no additional adequate protection payments will be made. The Debtor shall make payments to Charter Foods, Inc. pursuant to the terms of the Assignment Documents.

6.03 Protection of Secured Lien Holder. All secured lien holder's interests shall attach to the proceeds of any sale of estate property.

6.04 Contingent Sale. If a sale of the entire business cannot be completed, the Debtor intends to sell the assets of Lakeway of Missouri, Inc. individually, with a combined value of all sales to satisfy all outstanding secured claims, unsecured claims, and priority claims stated in §6.01 above.

⁶ Includes broker fees and projected advertising costs, subject to court approval.

⁷ Charter Foods Payoff may increase significantly up to 6.4 million dollars depending on the timing of the sale of Lakeway of Missouri. Please see the attached Sale Documents for more information. Said increase may affect any final payoff to the unsecured creditors.

6.05 Failure to Close. Should Pinnacle Foods, Inc. not close the proposed assignment within five (5) days of entry of the confirmation order, Pinnacle may proceed with foreclosures as contemplated under the previously confirmed plan.

ARTICLE VII ALLOWANCE AND DISALLOWANCE OF CLAIMS

7.01 Disputed Claim. A disputed claim is a claim that has not been allowed or disallowed [by a final non-appealable order], and as to which either: (i) a proof of claim has been filed or deemed filed, and the Debtor or another party in interest has filed an objection; or (ii) no proof of claim has been filed, and the Debtor has scheduled such claim as disputed, contingent, or unliquidated.

7.02 Delay of Distribution on a Disputed Claim. No distribution will be made on account of a disputed claim unless such claim is allowed by a final non-appealable order.

7.03 Settlement of Disputed Claims. The Debtor will have the power and authority to settle and compromise a disputed claim with court approval and compliance with Rule 9019 of the Federal Rules of Bankruptcy Procedure.

ARTICLE VIII PROVISIONS FOR EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.01 Assumed Executory Contracts and Unexpired Leases.

- (a) The Debtor shall assume all Executory Contracts and Unexpired Leases;
- (b) All defaults owed to any holder of a executory contract shall be paid in full on the effective date of this plan.
